From the Menu, tap **MENU**, **Version**.

This will display the version of the Operating System of your ClassPad.

The screen below shows the latest version in April 2015.

The latest OS is a free download from **http://edu.casio.com**

From the menu at the bottom of the screen, tap ⎡Main √α⎤ to enter Main.

Tap ⚙ , **Basic Format**, **Default**

Change **Number Format** to **Normal 2**

Change **Angle** to **Degree** and tap **Set.**

Tap ⎡Menu⎤ to access the Menu.

Move to the second page of applications.

Select the **System** app.

Tap **System** at the top of the screen.

Tap **About ClassPad**, **ClassPad Name**

Enter a name and tap **Set.**

Turn your ClassPad off to see your name briefly appear on the screen.

Tap ⎡Menu⎤ and return to the Menu.
